

Snow man Direction by AZB

1. Get a big red circle and stretch 2 or 3 inches and fill it with black inside.
2. Get a median circle and stretch it 2 inches and color it blue and inside color it black.
3. A small light green circle and put on blue glasses from the stamps and put black in the light green circle.
4. Make an orange nose with the pencil tool and put black stripes and make a median square hat and color it black.
